SUMMER INTERN, MARKETING AND COMMUNICATIONS

Are you a Marketing & Communications Superstar?

EXCEPTIONAL CARE. WITHOUT EXCEPTION.

Since 1969, the Jewish General Hospital Foundation, a leading hospital foundation in Canada, has been a vital source of support for the JGH - Quebec's #1 hospital—to enhance its extraordinary patient care, further scientific discovery, and transform healthcare delivery through innovation. We partner with inspired community members to implement a wide variety of fundraising initiatives to achieve these ambitious goals.

As our Marketing and Communications Intern, you will join a vibrant team of professionals and an organization committed to empowering you to take on a pivotal role in this vital ecosystem. Together, we continue to enable awe-inspiring medical breakthroughs and drive the Jewish General Hospital forward—for the betterment of all Quebecers and beyond. Join us!

THE OPPORTUNITY

Drive our story. Build community. Lead the way forward. Make a difference. Looking to apply your extensive marketing expertise to a cause that directly impacts the health of thousands of patients daily? Look no further.

We are looking for a creative, energetic individual who is passionate about marketing and is a seamless bilingual communicator. Come and join our Marketing and Communications team at the JGH Foundation and take part in several exciting projects! You may support our social media presence, pitch in with community management, help out with email campaigns, assist with our Content Management System (CMS), or take care of day-to-day administrative tasks. This position will undoubtedly evolve based on your stellar skills and talents, but rest assured you will learn a lot.

YOUR DAILY FUN

Maybe you know the ins and outs of InDesign. Maybe you're a pro with web analytics. Maybe you like to create short videos and take engaging photos for social media in your spare time. Your hard skills aren't as important as your attitude (though it never hurts to know your way around photo-editing software). What's important is that you are relentlessly curious and willing to learn!
