### **DONATE/SUPPORT MY FUNDRAISING:**

On July 7, I'm participating in the Le Week-end pour combattre le cancer and fundraising for the Jewish General Hospital's Segal Cancer Centre, so they can continue to lead in cancer care and innovation. You can support the cause, too, by donating to my fundraising page!

It's safe, secure and easy. Any amount you give today will help me reach my goal and support exceptional research and care for cancer patients. [\[fundraising page link\]](#)
